Elas

uai BRASIL®
VERÃO 2026

Elas

Não é o sol que ilumina, são elas.
Que chegam, leves como o vento e fortes como as ondas.
Com alma de verão e espírito de liberdade, elas mostram
que beleza é se sentir bem na própria pele.

E nessa coleção, cada peça revela o que
elas sempre foram: únicas.

Elas

carregam o sal da vida na pele e o brilho do sol no olhar.
Elas são livres, intensas, donas de si.
Cada curva conta uma história, cada riso é uma revolução.
Na praia, não seguem padrões – criam os seus.
Porque elas não vestem só biquínis,
elas vestem coragem.

A woman with long, wavy blonde hair is leaning over a round glass table. She is wearing a black, one-piece swimsuit with a cutout detail. On the table, there are two large, white, branching coral-like decorations. The background features a wooden wall and a large potted plant with long green leaves. The overall setting appears to be a modern, outdoor or semi-outdoor living space.

Elas

Mãe, filha, amiga, mulher.
Cada uma com sua história, sua força, seu brilho.
Este catálogo é para todas elas, que vivem com
intensidade e se reinventam a cada verão.

Porque moda praia não é só tendência – é expressão.
E elas têm muito o que dizer.
