VERÃO 2018

Búzios é uma brisa leve tocando a pele, um mergulho na beleza e sofisticação dos elementos naturais.

VERÃO 2018

SINTA BÚZIOS

O verão 2018 Uai Brasil chegou e te convida para uma experiência inesquecível em uma atmosfera cosmopolita e de charme excêntrico.

Desligue de toda agitação, aproveite o tempo e a sua liberdade dentro de um clima tropical relaxante na sofisticada cidade de Búzios.

Um passeio por suas praias remetem sensações solares, cheiros frescos e sentimentos de liberdade.

As rendas, eleitas para trazer sofisticação para as peças, surgem em variadas texturas e dão um toque artesanal à coleção, tornando-a ideal para compor looks que vão além da praia.

Flores e folhagens se entrelaçam, formando diferentes texturas, despertando novos olhares.

O floral aparece dando vida às estampas da coleção, enfeitando nosso passeio por este oásis de cores e sensações. Céu e mar em perfeita sintonia, anunciam a chegada do Verão 2018.

Estampas inspiradas no artesanal, étnico, Mata Atlântica e animais silvestres marcam presença na coleção e revelam cores que transitam de tons naturais, até os super vibrantes.

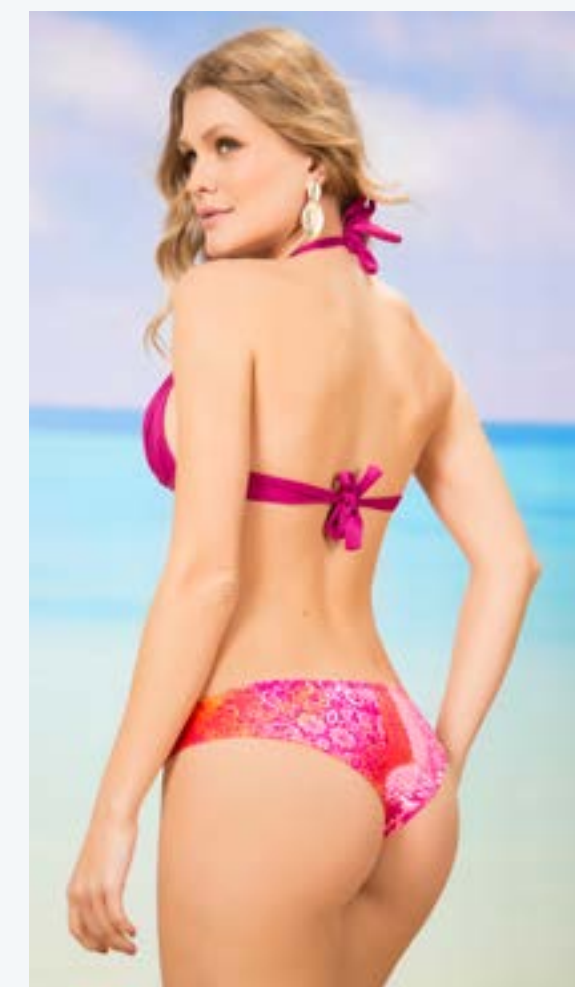

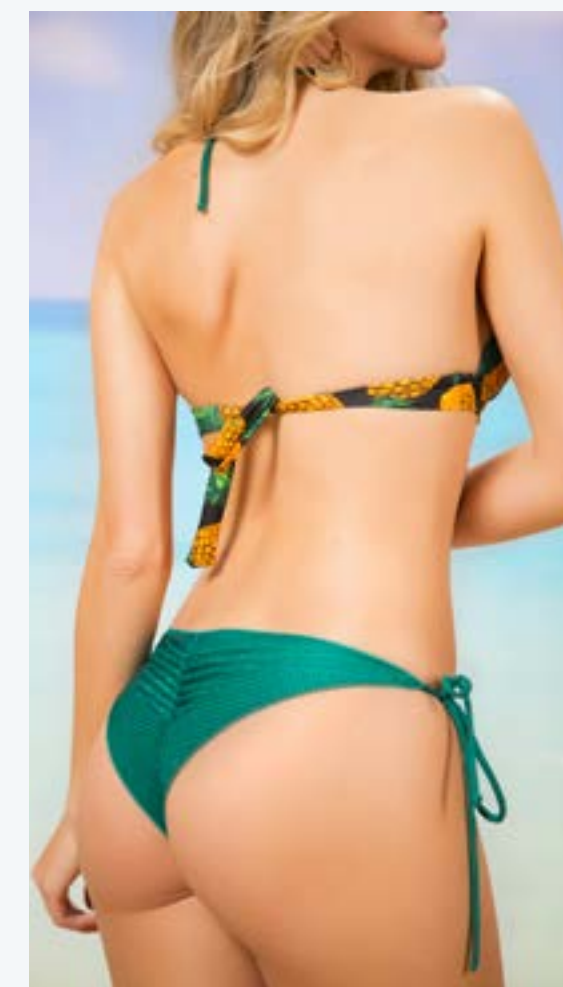

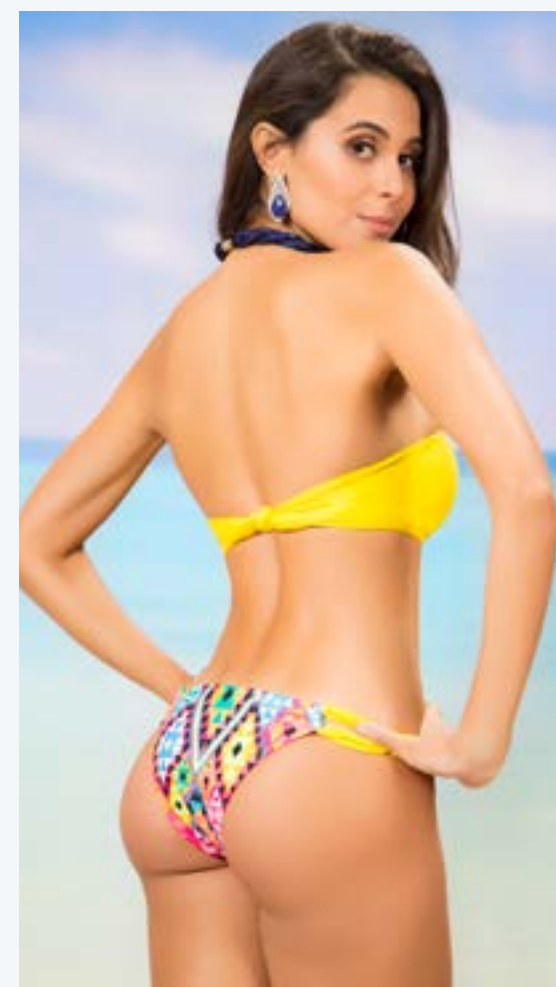

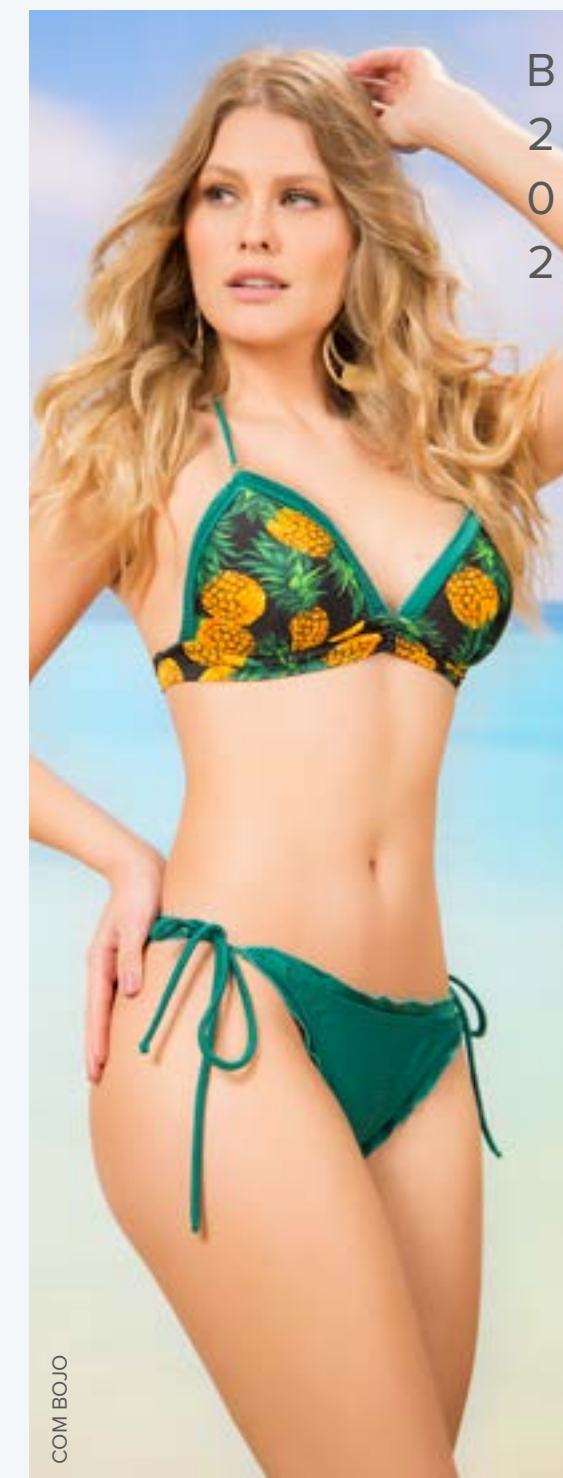

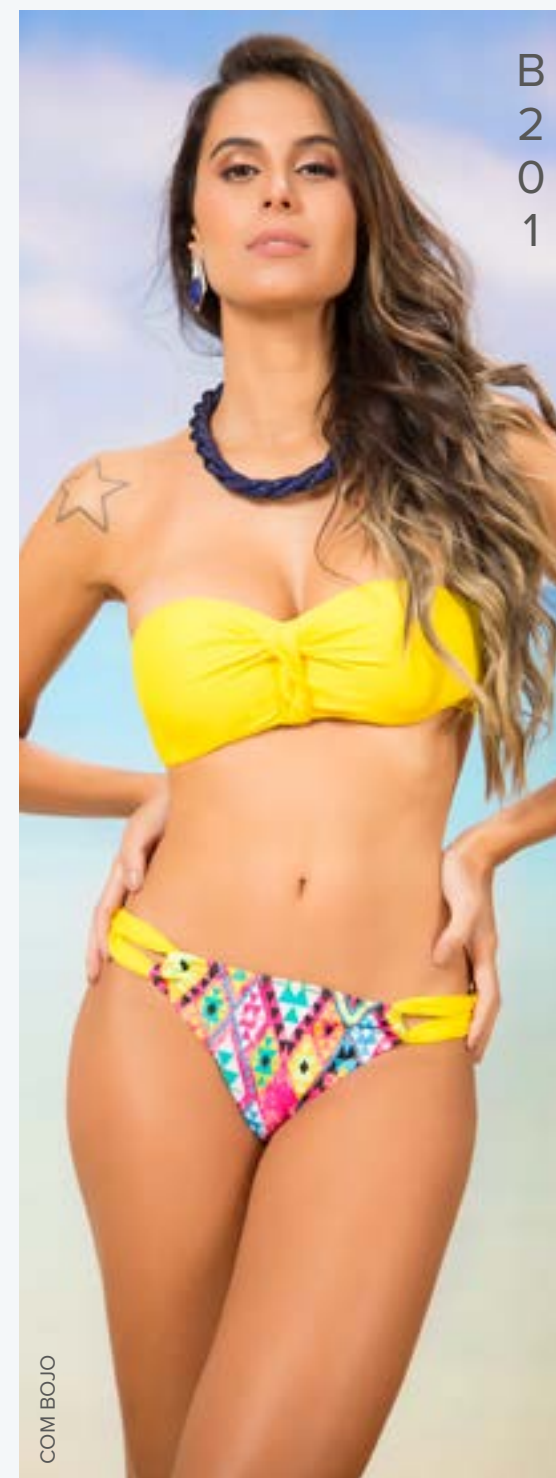

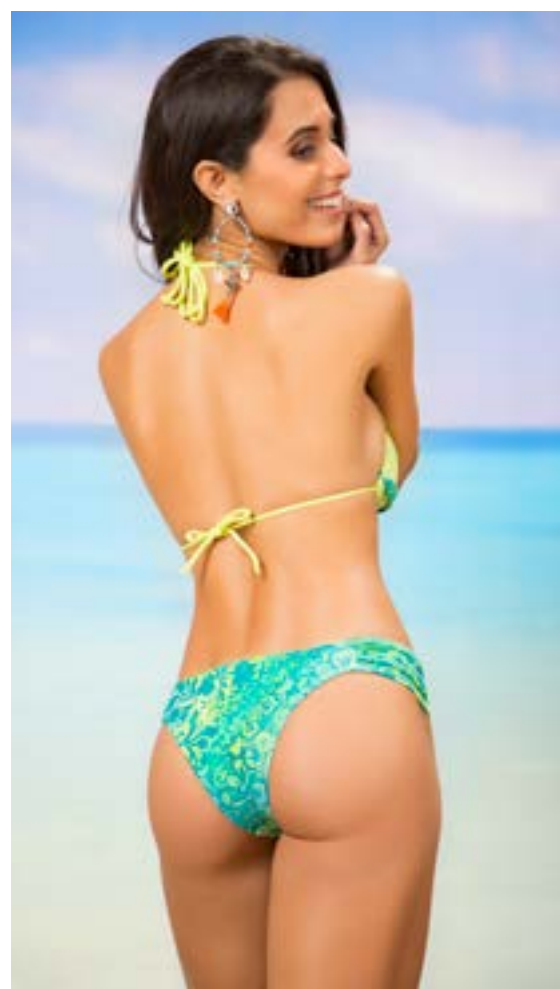

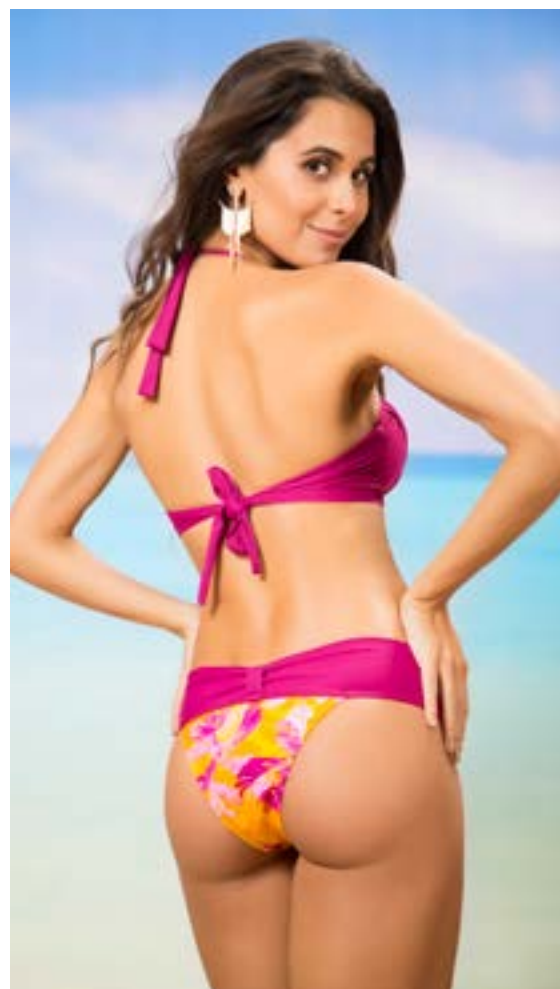

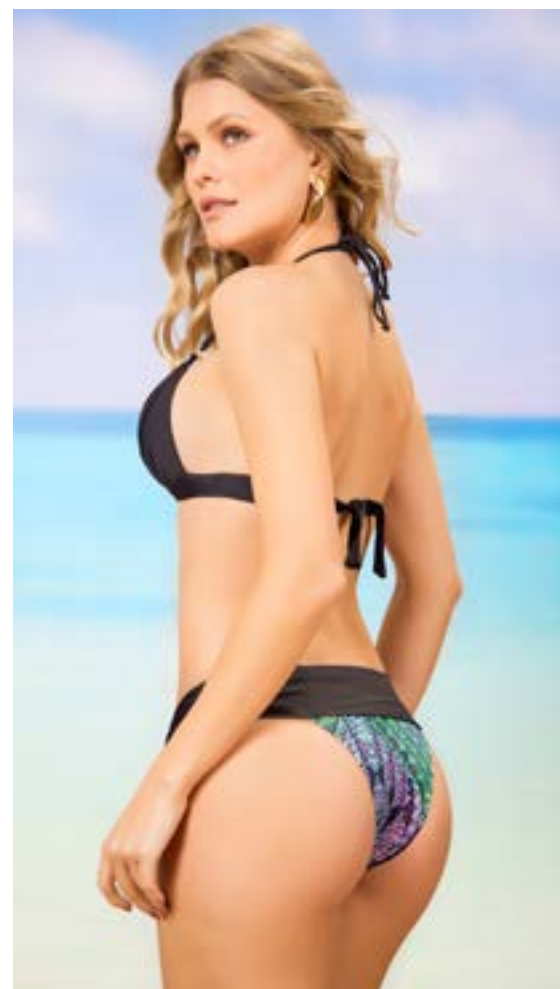

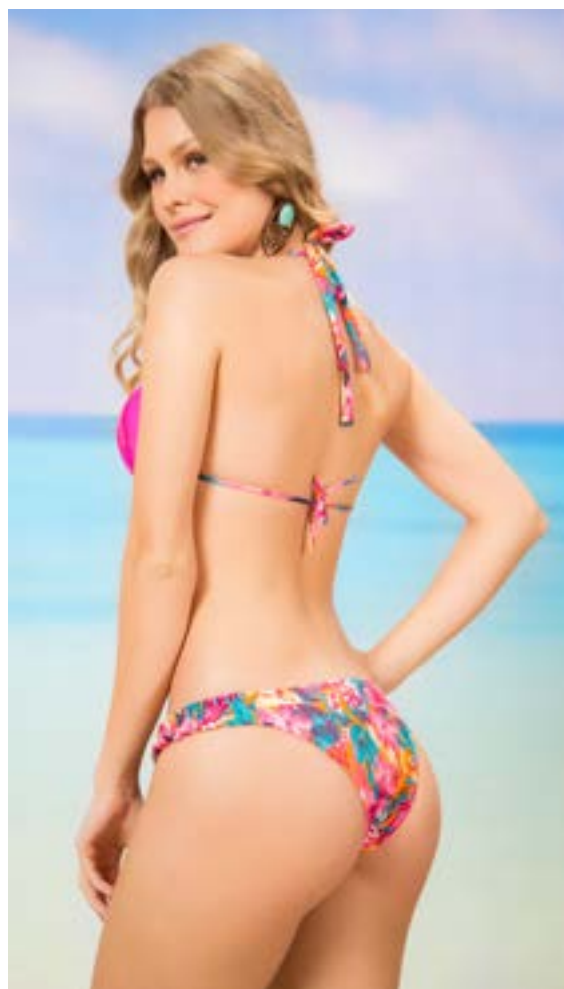

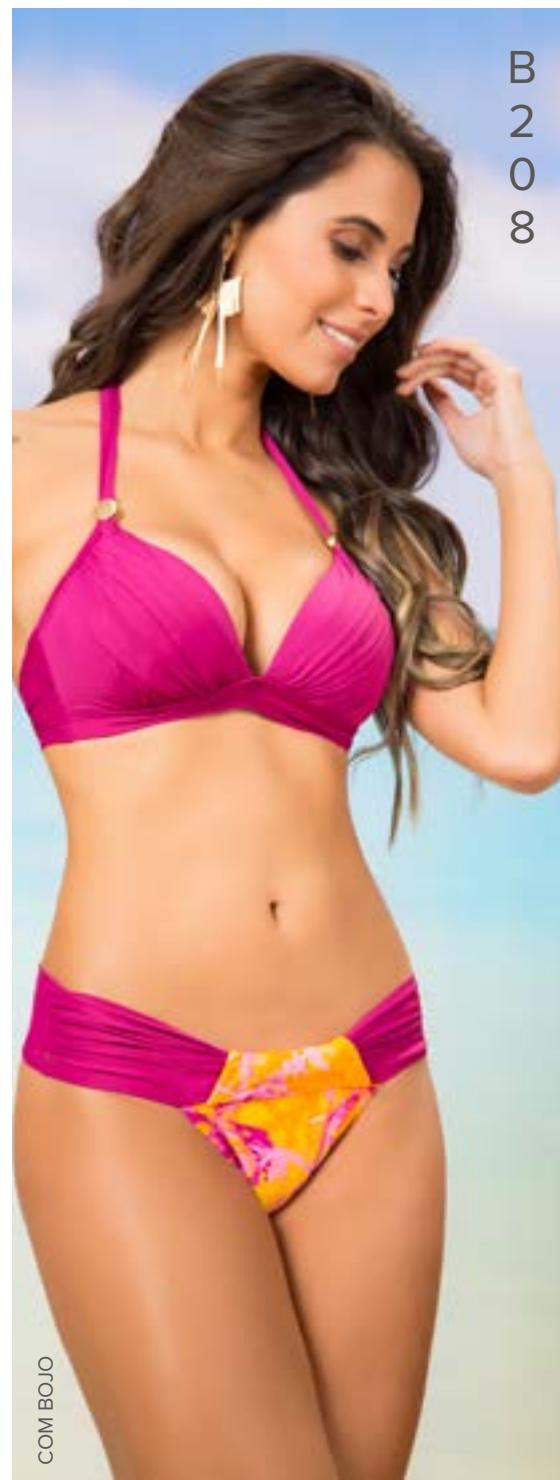

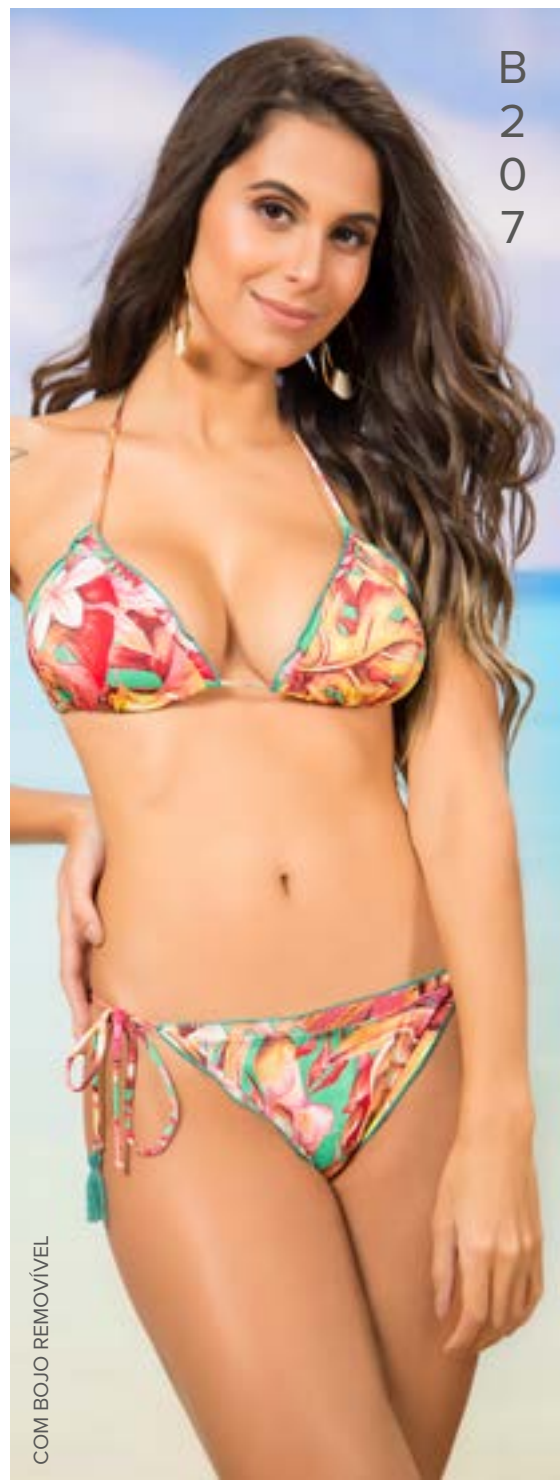

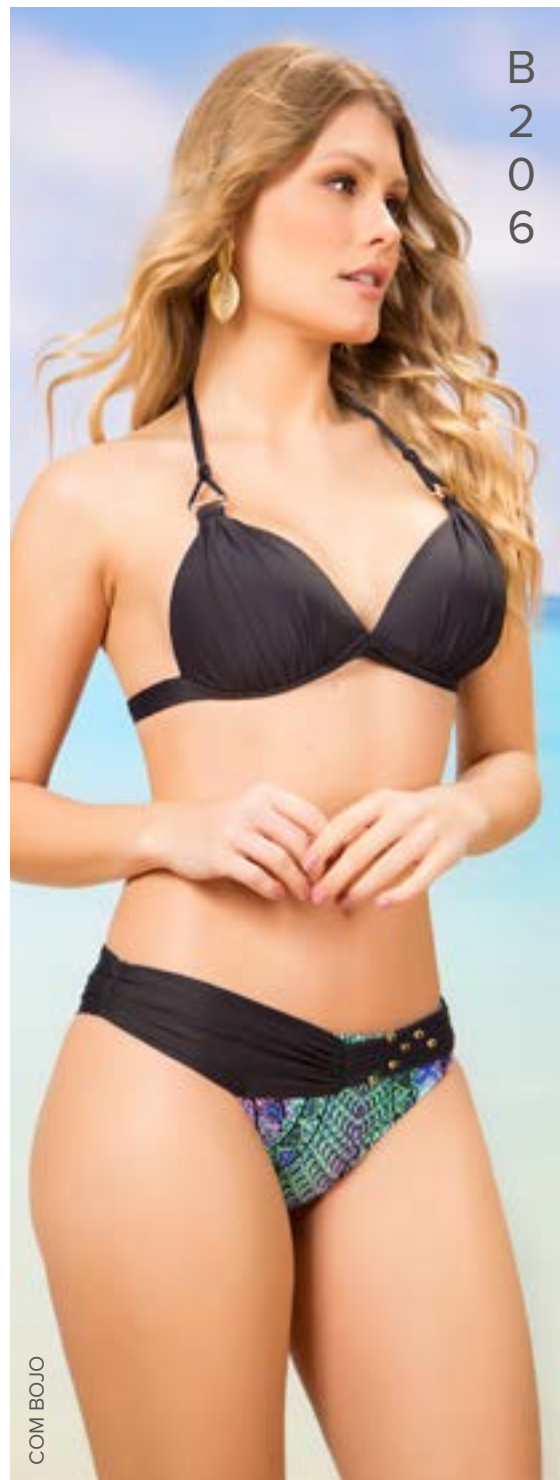

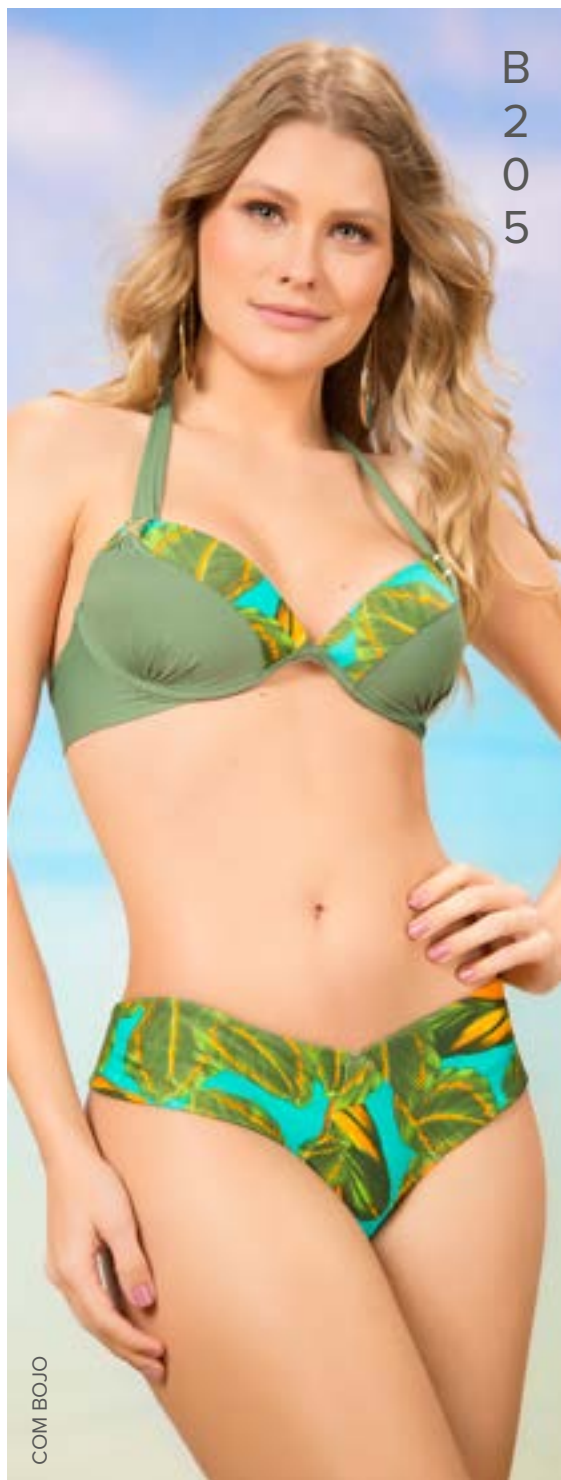

A Uai Brasil aposta em novos fits em seu verão 2018 que buscam valorizar a silhueta feminina, uma característica primordial da marca.
